RESORTS

**Disconnect, enjoy, holidays,
travel, business, summer,
winter, golf, culture,
gastronomy, wellness,
team, happiness.**

Since 1997 there has been a place to bring it all together.
Welcome to ALANNIA RESORTS.

IN THE HEART OF THE MEDITERRANEAN

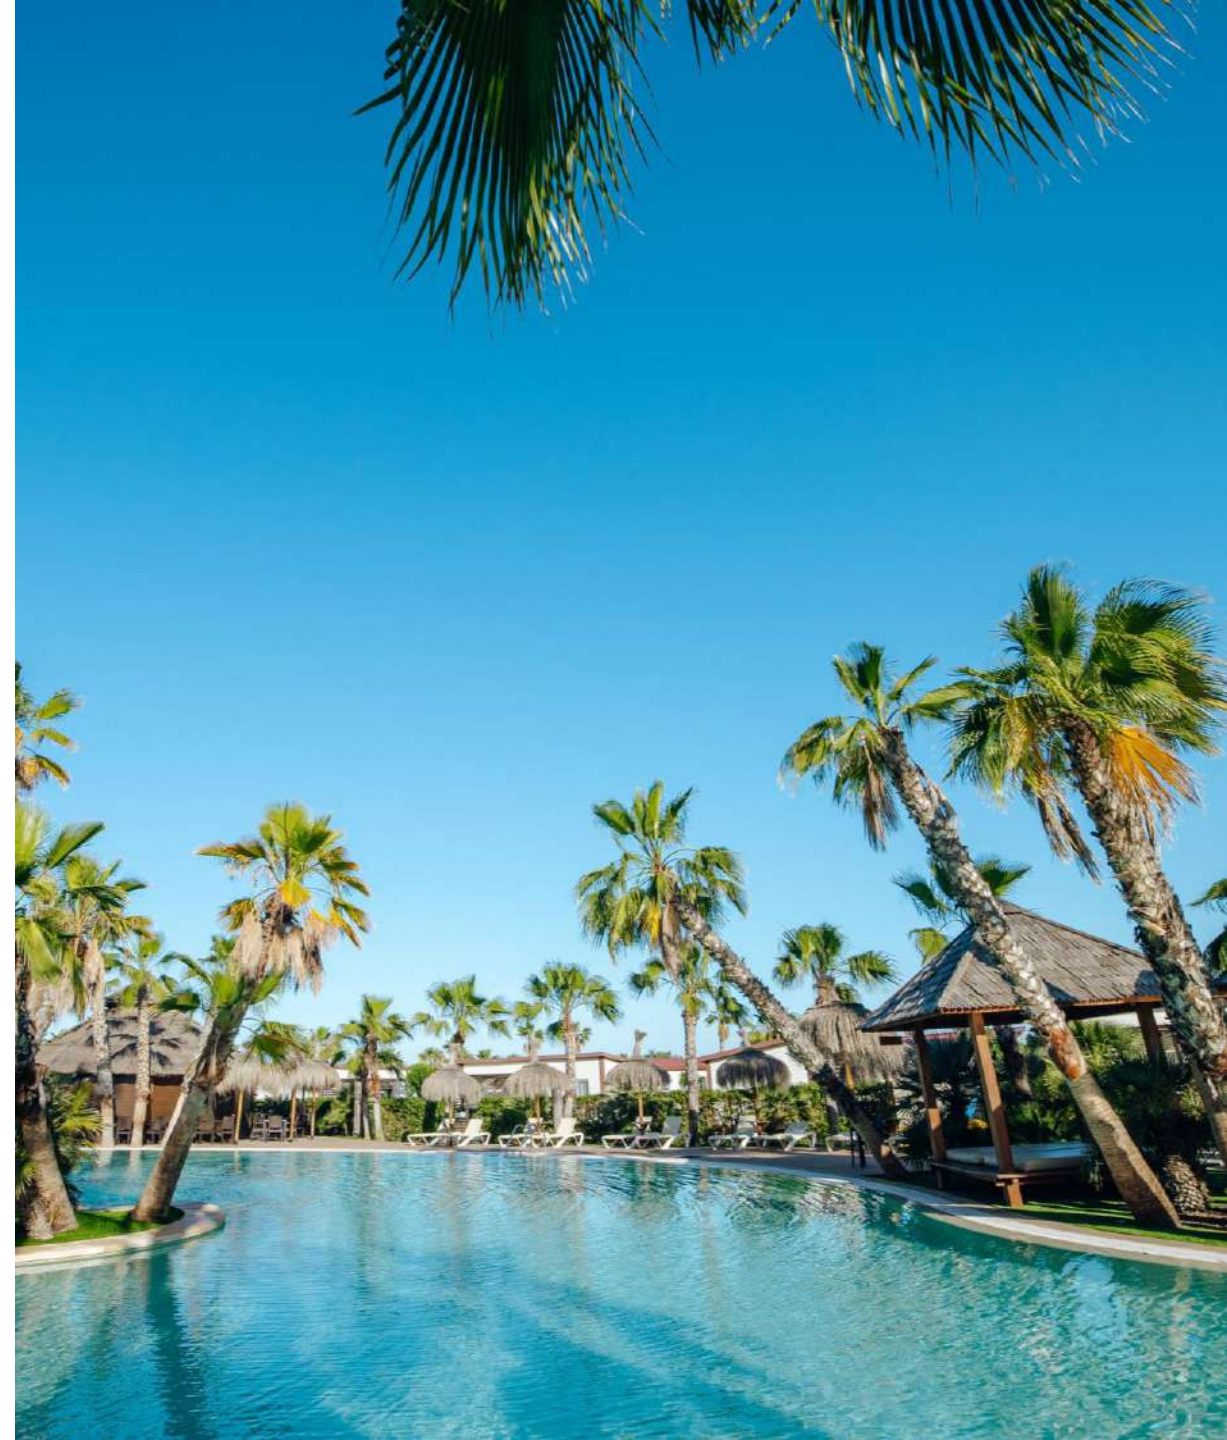

All the Alannia Resorts are unique places with versatile facilities and services.

The natural environment that surrounds them and the indoor and outdoor spaces of each Alannia, allow us to design proposals to make every visit unrepeatable.

We apply the Alannia Sustainable philosophy by contributing to the well-being of the planet with present and future actions such as:

- eliminate plastics
- guarantee recycling
- promote clean energy
- minimise the carbon footprint of all the establishments.

THE ENERGY THAT DRIVES US

Company philosophy

Our philosophy is based on making people happy.

HOW?

DEDICATION: We create environments and experiences where people can enjoy the relaxation, entertainment and fun they need.

INNOVATION: We constantly seek to surprise and aspire to do so in a sustained, sustainable and profitable way.

Our Values

ATTENTION: Whatever your age and whatever your needs may be, we put a lot of care into everything we do together.

UNION: We have fun, we learn, we evolve, we celebrate our victories and we support each other in the face of challenges.

SURPRISE: What would life be without a WOW! At Alannia, we dream of making the unexpected a regular occurrence and making you keep it as part of your memories.

PASSION: The final spark, the one that ignites every corner of Alannia. With it we transmit all the emotion that makes people happy during their stay.

Our Mision and Vision

MISION: Making people happy by creating memorable experiences.

VISION: To be the leading chain of campsites and resorts in the Mediterranean.

LIVE THE ALANNIA GOLF EXPERIENCE

Enjoy a unique experience supported by the main certifications staying in our accommodations on the Costa Blanca: **Alannia Costa Blanca** and **Alannia Guardamar**.

Their premium facilities and their locations in natural enclaves make it possible for any amateur or professional player to enjoy golf in nature without giving up the comfort of a resort close to the best golf courses.
